

Sermon Principles:

Rev. Dr. Daniel Park World Communion Sunday Oct.2, 2011

It has been almost a year since Grace Church was established. This time last year, Balmoral Church Reverend, the session and I with few members of Grace Church met numerously. In one church, for another church to come and to be able to use the same building, there may be many uncomfortable situations, many obstacle to crossover, many unforeseen problems to overcome, yet knowing all this, Rev. Meisterman and the session did their utmost very graciously so that Grace Church would not be inconvenience nor be uncomfortable in anyway. I have seen God's work in hand.

For two churches to exist in one building with no experience on how to handle certain situations, there were some expectations, there were some concerns, but Rev. Meisterman always said when two churches unite as one and the members comes together in unity, this is the call of God, this is God's will.

Now a year is almost pass by, during the year, there were many events, many changes at the same time we've gained experience in two churches coming together to worship in one building. The concerns we've had at the beginning just simply disappeared. Instead we were able to come together as one, as brothers and sisters in Jesus Christ, uniting two churches, glorifying God's name in the highest.

Continue to live together as in brothers and Union, you should keep in mind these three conditions.

First, We must forgive each other.

Second, We must understand each other.

Finally, We must actively love each other.

The Bible says in Psalm 133:1(NIV) "How good and pleasant it is when brothers live together in unity." In Jesus Christ, Balmoral, Circle of Faith and Grace Church became brothers. Together we praise joyfully to glorify God.

Now at this time we are worshipping together in union. How beautiful and wonderful is that! As brothers and sisters uniting all, let us come together as christians we are, so that we can spread this wonderful union to the world.
