VIRALTHEFILM.COM

ANDREW GOLDBERG  
Director, Producer, and Writer

Antisemitism in the U.S. and Europe is spreading. It mutates and evolves. It appears as vandalism, social media abuse, assault, and murder.

Director Andrew Goldberg examines its rise, traveling through four hot spots (France, Hungary, Great Britain, the U.S.) to follow antisemites and their victims, with insights from experts, politicians, and locals.
